The Associate Member is further invited to attend and take part in the activities of the Association as provided by the Articles of Incorporation and the By-Laws. While membership in the MMUA is not an endorsement of the product or services of the Associate members, the Associate Member may in his contact with the membership, make mention of his company/firm.

The Board of Directors of the Association reserves the right to withdraw its approval of membership at any time for the following reasons:

1. In the event that the Associate Member has clearly indicated through action or statement that the purposes of the Association are contrary to his interests.
2. In the event that the products or services of the Associate Member is found to be fraudulent or grossly misrepresented to the extent that association with the MMUA is contrary to the interest of the membership.
